ANNOUNCEMENT.

I hereby announce myself as a can-

didate for Justice of the Peace in Precinct No. 7, subject to the action of the voters on June 7th.
J. B. BAILEY.

W. S. Moore announces his candidacy for the office of Justice of the Peace of Precinct No. 7.

Mann is the man.

A new time table goes into effect Sunday.

Now it is up to the Supreme court to re-district the Territory.

The Fifth Judicial District can again go back and sit down.

There will be something doing among the Illinois Republicans today.

The clerkship will probably go with the Judgeship. The politicians will want the tail with the hide.

Another candidate for Justice of the Peace. Candidates for Constable seem to be a little backward.

W. S. MOORE.

In this issue of the Record appears the announcement of W. S. Moore as a candidate for Justice of the Peace at the election to be held Tuesday. Mr. Moore is eminently qualified for this position. A lawyer by profession, courteous in all the relations of life, punctual in all business engagements, liberal in his views, if elected he will make an admirable officer.

Mr. Moore was admitted to the bar in October, 1893, in Johnson County, Missouri, from which state he came to Roswell. For the past eight months he has been connected with the law firm of Richardson, Reid & Hervey. Mr. Moore is and has been a life long Democrat. His residence is now at the corner of Spring River and Second Streets.

THE APPOINTMENT OF MANN

The appointment of Judge Mann by President Roosevelt yesterday to the Supreme Court of New Mexico

is another good argument for statehood. As to Judge Mann's qualifications for the position, these do not enter into the present case. The case is this, that Mr. Mann a comparative stranger to New Mexico, who has resided in the Territory barely long enough to be a voter, has been appointed to this position over the claims of eminent lawyers who have lived in New Mexico for years. The new district that was created for the benefit of the counties of eastern New Mexico. In all fairness, in all justice, the desires and wishes of these counties as to the new appointee should have been considered. If home rule means anything it should mean that the wishes of the people of the present Fifth Judicial district should have been consulted in this matter. But the President has again ignored the wishes of the people, the advice of the territorial machine has overridden again the principles of home-rule and in bold relief there now stands out another argument most potent for statehood, which when it comes the people may have a judiciary of their choice.

Chamberlain's Stomach and Liver Tablets Better Than a Doctor's Prescription.

Mrs. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets did him much more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and a one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by all druggists.
